Re: FIA One-Star Environmental Accreditation – Hill Climb St Ursanne-Les Rangiers

Dear Mr. Salomon,

We are pleased to confirm that following the remote audit conducted by the FIA Environmental Accreditation auditor on December 2nd, Hill Climb St Ursanne-Les Rangiers has obtained the One-Star level in the FIA Environmental Accreditation Programme.

The event team has demonstrated a good overall commitment and awareness towards addressing environmental issues, and with an extensive list of actions, portrayed an effort for continuous improvement of the environmental practices.

We would like to congratulate you on being the first Hill Climb event organizer to achieve the FIA Environmental Accreditation and we encourage you to continuously contribute to the sustainable legacy of motorsport.

We have attached an audit report that summarizes the auditor's comments and provides some recommendations for further improvement.

We look forward to continued collaboration regarding supporting your organization achieving its environmental objectives.

Yours sincerely,

Graham Stoker
FIA Deputy President for Sport

Felipe Calderón
FIA Environment & Sustainability
Commission President

Garry Connelly AM
FIA Environmental Delegate
