Every journalist, photographer or cameraman/camerawoman moving about from place to place on the track, especially in the areas where spectators are not normally admitted, must wear an official tabard (FIA-ASS) or a PRESS tabard (orange ASA or yellow MIAUTON) which can be obtained against a 20.- CHF deposit. The refunding will occur after the tabard has been returned.

The track marshals will be inflexible concerning the safety instructions.

IMPORTANT : The responsibility of the organizers will not be engaged in case of personal accident or damage caused to third parties ; the bearers of media passes carry out their work under their own and exclusive responsibility and must be covered by a personal or professional insurance.

Only the Organization is allowed to take aerial shots.

These aerial shots are made available to the press or any person who can justify their use as part of a report or for any other achievement related to the event, provided that a proper and justified request has been made.
